

# The Outlook

Newsletter of the Castle Craig Camera Club

Volume 52 Issue 1

Aug 2006

## The Officers

### President:

Steve Wronker (860) 561-8910

### Vice President:

Dan Champagne (860) 276-8782

### Secretary:

Steve Demarest (860) 342-4651

### Treasurer:

Jim Dionne (203) 235-8930

## The Others

### Refreshments:

Sue Harsanyi (203) 235-1209

### Outlook Editor:

Jim Dionne (203) 235-8930  
jimski42@sbcglobal.net

### Contest:

Ruth Kahn (203) 630-3749

### Programs:

Paul Hanson (203) 238-0364

### Publicity:

Harold Sisken (203) 272 9395

### Banquet:

Sue Harsanyi

Hospitality: Jack Arndt

NECCC Rep: Paul Hanson

CAP Rep: Rob Macfarlane

## ARE YOU GETTING ALL THOSE PRIZE WINNING IMAGES TOGETHER?

Sept 19, 2006 Program:

### You Be The Judge by Paul Peterson

Learn what a judge is looking for in a good photograph. Paul will take you through the elements of what make a good photograph and what judges look for. He will also explain the scoring system and how to critique the images. This is the first step in learning how to judge. Even if you don't desire to judge this program will help you to improve your photographs.

Some of you have received a dues notice in the mail. This means that your dues haven't been paid and you should do so to remain a member in good standing. If you have already paid your dues thank you and read no further. Please send a check made out to **Castle Craig Camera Club** along with the form below to:

**James L. Dionne, MNEC, 131 Pembroke Ct., Meriden, CT 06450-8158**

Single; \$30 Couple; \$45

The nice thing about our club is the way we socialize. Our break for refreshments allows us to share our photography and ideas as well as getting to know each other.

Please sign up for refreshments with Sue Harsanyi.

## **Refreshments**

### **Drinks:**

### **Snacks:**

## **CATEGORY:**

**The category for October 3rd is Machinery. We should see plenty of images for this one as there is machinery all around us. Remember, parts of machinery can also be used.**

Our president, Steve Wronker took a “Best In Show” in the digital category up in Amherst this July at the annual NECCC Conference. Congratulations Steve. You beat out some of the best.

Pam Stanley and Steve Wronker

---

## From The Editor:

Hope everyone is enjoying what’s left of the summer. I’ve been busy taking lots of photographs, mostly digital but I managed to take two rolls of slides over the summer. Sad isn’t it? We have truly reached the digital age. Everywhere I look people are shooting digital. Mostly with point and shoot cameras. I might say that’s what my main camera was over the summer.

I still am somewhat of a purist in that I still try and create the image in my camera. I have played with manipulation in both film and digital but I still like to record what I see.

Don’t let digital scare you. You can do most of the minor corrections such as brightness, contrast and sharpening with the software that came with your digital camera. You don’t even need a computer or printer to publish your photos. You can go to Wal-Mart and select your photos to print and they will be ready in about an hour. You can also download your image card to a CD at some of these places. Remember! Our rules allow either home printed or commercially printed images. So pick up that camera and shoot those images.
